

# PRESIDENT DONALD J. TRUMP

WASHINGTON, D.C.

GET YOUR MAGA HAT TODAY

My Fellow Patriot,

Do you want to bring America's economy roaring back and stop the Liberal Democrats from using the Chinese virus pandemic to turn our nation into a failed Big Government Socialist country like Venezuela...

---

...And earn a limited-edition MAGA hat while doing so?

Well, the way you can do both is by rushing back an immediate gift to my official re-election committee to help me lock Sleepy Joe Biden OUT of the White House!

I urgently need your support today, because if ultra-partisan Speaker Nancy Pelosi gets a "President Biden" to team up with her on the far-flung Liberal ideas coming out of her Democrat Congress, they will totally ruin our great country!

It will be much worse than Obama, believe me. These unrepentant Radical Liberals made it clear they will stop at nothing to force through their Big Government Socialist schemes when Nancy Pelosi's close ally, Representative James Clyburn, referred to the pandemic as "a tremendous opportunity to restructure things to fit our vision."

That truly sick admission is just the tip of the iceberg. Imagine how they will restructure things if they seize the White House...

---

... Many in the Democrat Caucus have publicly championed hiking income tax rates to 70%, 80%, or even 90%.

... Democrat Big Government Socialist Representative Alexandria Ocasio-Cortez unveiled her pie-in-the-sky "Green New Deal." It's a plan so outrageous that if ever passed, it would kill the airline industry and energy sector and cost tens of millions of American jobs – just like the 25,000 Amazon jobs that she already lost for my hometown of Queens, New York!

... Their government-run "Medicare for All" scheme would cost a ridiculous \$10 trillion over and above the current national debt.

... And the Democrats forced my hand to declare a national emergency at our border because of their utter contempt for the security of everyday citizens like you!

(Over, please)

If those are the proposals they're pushing while I'm President, just imagine the extreme policies they will ram down our throats if they elect Liberal Joe Biden to join forces with Nancy Pelosi.

We cannot afford to let that happen!

That's why I formed the Trump Make America Great Again Committee (TMAGAC) as the place for patriots like to you channel your vast energy and support behind me.

And make no mistake: your immediate help is vital!

The radical Liberals and Big Government Socialist extremists who now run the Democrat Party will say anything, do anything, and spend anything to lie about my accomplishments, tear me down, and defeat me.

They are even attempting to use the global coronavirus outbreak to make nationwide election changes to give them a political edge. **Their calls for a national all-mail election would fundamentally change our voting process less than 4 months before the election, and open our elections to fraud and abuse.**

If that wasn't bad enough, their spending this election will be obscene. In the 2018 midterm elections, the Liberal Democrats spent more than \$2.5 billion to gain control of the U.S. House. You can be 100% certain that our opponents will spend even more than that to defeat me.

In fact, Left-wing billionaire Michael Bloomberg alone has pledged to spend \$500 million of his practically limitless personal fortune – at a minimum – to beat me and Republicans up and down the ticket!

With the Democrats, the fake news media's biased reporting, and Leftist financiers like Michael Bloomberg and George Soros all colluding to defeat me, I need your help urgently.

Please let me know that I can rely on you by signing your official 2020 VICTORY PLEDGE and then returning it to me ASAP!

And when you do, will you do me a personal favor and also include your most generous gift of \$2,800, \$1,000, \$500, or even \$250 to TMAGAC?

Whether you can send \$2,800, \$1,000, \$500, or \$250, every dollar you give today is critical to helping me build a truly unstoppable 50-state campaign organization to defeat the Liberal Democrats this November.

I believe so strongly that your support is instrumental to my campaign's success that I will mail a MAGA hat to everyone who sends a gift of \$45 or more!

(Next page, please)

But more than a limited-edition hat, in return for your gift of \$45, \$75, \$100, \$250, \$500, \$1,000, or \$2,800, you will be helping to strike a blow to the Liberal Democrats' all-out drive to turn our beloved country into a Big Government Socialist nightmare like Venezuela!

**There is too much at stake for us to lose this fight.**

In the three years after I became President, we accomplished through capitalism what the Liberal Democrats have been trying – and failing terribly – to deliver through corrupt, bloated, and inefficient Big Government programs for decades:

- Our sound economic policies led to the creation of more than 7.5 million jobs and brought down unemployment to a 50-year low – with Hispanic and African American employment both at historic highs!
- The historic Trump tax cut was an incredible boost to our economy, raising worker wages and bringing manufacturing jobs back to America.
- We rebuilt the military after years of being badly underfunded by Obama, overhauled the VA to better care for our veterans, and reduced the ISIS threat to ashes.
- We renegotiated the North American Free Trade Agreement (NAFTA) for a better deal, re-imposed sanctions on Iran, and made more progress with North Korea than any previous Administration.
- And even as I write you this letter, we're in the process of building a big, beautiful Wall along the Mexican border to give us greater health security in the pandemic and stop the flow of illegal drugs and hardened criminals that threaten our children and our way of life!

Unfortunately, many of our great and historic economic achievements have been wiped out by the tragedy of the pandemic. Our best hope for a rapid and roaring recovery is to rely on the same leadership that delivered on the promise to Make America Great Again!

But if Joe Biden wins the White House this November – it's game over for American capitalism.

Sleepy Joe won't be able to resist the powerful Left-wing of his Party when they push for government-run "Medicare for All" and its \$32 trillion price tag, and the Big Government Socialist pipedream known deceptively as the "Green New Deal!"

I'm fighting with every fiber of my being to make sure Joe Biden never makes it that far!

(Over, please)

And I'm personally asking you to take the small but important step of signing and returning your 2020 VICTORY PLEDGE to TMAGAC right away.

Whether you can send back your PLEDGE with a gift of \$2,800, \$1,000, \$500, \$250, \$100, or even \$45, no amount is too large or too small to have a major impact in this fight.

During my first campaign for President, I had to raise more than \$333 million and total campaign spending for the 2016 presidential race was \$2.4 billion.

And with the next election set to determine whether or not America remains a capitalist nation or swerves radically to the Big Government Socialist Left, I know I'll need to raise even more to win another four years in office!

That's why I've set an ambitious goal of raising \$500 million to win the White House this year.

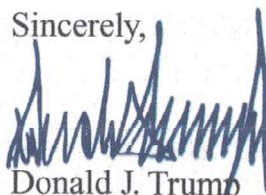

It's a huge number, but if every committed Trump supporter in America like you contributes what they can – gifts of \$2,800, \$1,000, \$500, \$250, \$100, or \$45 – I know we can do it.

And for those who step forward with a gift of \$45, I'm offering a limited-edition MAGA hat to thank and recognize this crucial support!

Please, don't let me – or our country – down at this pivotal moment.

Rush back your signed 2020 VICTORY PLEDGE and your gift of \$2,800, \$1,000, \$500, \$250, \$100, or \$45 and get your MAGA hat before they run out!

Sincerely,

A handwritten signature in blue ink, appearing to read 'Donald J. Trump', with a large, stylized flourish at the end.

Donald J. Trump  
President of the United States

P.S. Let me be clear: our only chance to restore our record-setting economy after the pandemic, and to continue rebuilding our military and securing our borders will be lost – or worse, replaced with the radical Left's wish list of Big Government Socialist programs – if Sleepy Joe Biden takes over the White House.

To stop that nightmare from happening, I urgently need your support today. Please sign and return your 2020 VICTORY PLEDGE along with your most generous gift of \$2,800, \$1,000, \$500, \$250, \$100, or \$45 to the Trump Make America Great Again Committee right away. Thank you!
